

### Key Vocabulary

Pitch  
Pause  
Dynamics  
Melody  
Notation

In this unit, children have explored the pitch and dynamics of the voice and learnt some useful musical terminology. They have all worked on their singing skills and coordination skills.

### Key Points of Learning (RAG at end of each session)

- To understand the importance of a vocal warm up
- To learn to recognise and repeat higher and lower sounds
- To understand and recognise basic graphic notation
- To explore "pause" and further graphic notation
- To recap pitch and explore dynamics & melody
- To perform songs with a range of notes
